

Green Team

Green Team members engage all colleagues in creative problem-solving; they are not the "eco-police".

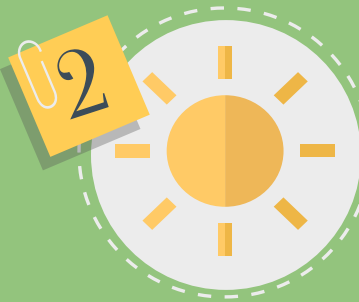

Sustainability is about collaborative decision-making and creating viable solutions.

Green Team Tips

Recruit

- * Everyone is welcome

Meet Regularly

- * Have agenda
- * Appoint facilitator
- * Appoint note-taker

Brainstorm Ideas

- * Review items in the UNE Green Office assessment tool
- * Unleash creativity

Set Goals and Develop Action Plans

- * Prioritize items
- * Enlist members to work on high priority items

Delegate and Volunteer

- * Many hands make light work

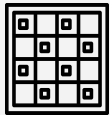

Communicate and Celebrate

- * Build your team spirit with some of the ideas listed below
- * Let people know what you have accomplished!

Green Team Building Activities

Watch short environmental documentaries

Play "The Green Game" (Available through the Sustainability Office)

Take "eco-quizzes"

Hold eco-challenges (challenge another office)

Host "walking" meetings

Organize a sustainability tour of campus (Contact Sustainability Office for help)

Adopt a campus garden bed

Coordinate an office eco-awareness campaign

Host alternative transportation event

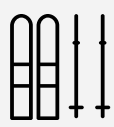

Contribute best practice story to Sustainability Office for newsletter

Organize or participate in eco-activity such as:

5K

Cross country ski

Hiking

Kayaking

Beach clean-up
